November 30, 2022

The Philadelphia Office of Emergency Management (OEM) received official approval from the Pennsylvania Emergency Management Agency (PEMA) and the Federal Emergency Management Agency (FEMA) Region 3 on November 30, 2022 to formally amend the current 2022 Philadelphia All-Hazard Mitigation Plan to include the following mitigation actions. These new mitigation actions fulfill all requirements of a hazard mitigation project and align with existing mitigation goals and objectives as defined in the 2022 plan.

Potential Action #4.2.31: 21 st Street Flood Hazard Mitigation Project	
Description	Replace 1,860 linear feet of 4'0" brick sewer with 72" reinforced concrete pipe sewer along a segment of 21st Street in the Germantown Neighborhood along with associated inlet improvements
Hazard	Flooding
Lead Agency	Philadelphia Water Department
Project Type	Structure and Infrastructure
Goals & Objectives	Goal 4, Objective 2
Implementation	PWD has completed approximately 90% of the design and is seeking funding for the construction costs associated with the sewer replacement and inlet improvement
Potential Funding Sources	FEMA Hazard Mitigation Assistance Programs, Staff Time, Operating Budget

Potential Action #2.8.13: Eastwick Scoping and Capacity Building Project	
Description	Conduct a comprehensive review and evaluation of existing flood mitigation alternatives in Eastwick through engineering and environmental studies, benefit-cost analysis, hydrologic and hydraulic modeling, and stakeholder engagement
Hazard	Flooding, Hurricanes
Lead Agency	Office of Sustainability
Project Type	Local Planning and Regulations, Structure and Infrastructure, Natural Systems Protection
Goals & Objectives	Goal 2, Objective 8
Implementation	This project is in the project scoping phase for advanced planning/pre-design
Potential Funding Sources	FEMA Hazard Mitigation Assistance, Staff Time, Operating Budget

These projects will be included in the 2022 Hazard Mitigation Plan. For any questions or concerns, please reach out to OEM@phila.gov.
